

Partner with ABYC to celebrate

International Marine Service Technician Week 2026

About Marine Service Technician Week

Celebrate the skilled professionals who keep boating safe, reliable, and enjoyable!

The American Boat & Yacht Council (ABYC) proudly presents International Marine Service Technician Week, happening April 20-24, 2026. This special week recognizes the dedication and expertise of marine service technicians worldwide.

Businesses, associations, and boaters are encouraged to show their appreciation by spotlighting their technicians, sharing success stories, and engaging in celebrations. Let's give these essential professionals the recognition they deserve!

Thank you to our incredibly talented, certified technicians whose hard work and dedication make up the heart of the #GYS family. 🌊 This International Marine Service Technician Week, we couldn't be more proud to honor their acts of excellence.

Because of our commitment to personalized & high-quality craftsmanship, expertly skilled technicians, and high-touch customer service – we have been recognized by countless yacht owners, management companies, brokers, and Captains, from around the globe as the go-to in yacht services.

Social Media Impact

Throughout the week, many organizations show their appreciation for marine techs by using our designated hashtags, sharing pictures and stories on social media, providing special meals, and celebrating their hard work in meaningful ways.

dimiliosyachtsales The team at DiMillo's would not be who we are without our incredible Marine Service Technicians. They deserve recognition each and every day, but since it's Marine Service Technician Week we'd like to send them a huge thank you for all that they do especially as we head into the busy spring season.

This special group of dedicated and talented people work tirelessly to ensure our client's boats are stunning and reliable when they throw their lines and head out on their next adventure.

Thank you Ron, Tony, Dave, Jason, Dylan, Sierra, Hayden, Dan, Gianmarco, Harry, Joseph, Sam, Ryan, Mitch & Mike for taking great pride in the work that you do.

It's International Marine Service Technician Week! The American Boat & Yacht Council (ABYC) has designated the last week in April to bring awareness and recognize the hard-working professionals who work on boats.

We want to take a moment to thank all the men and women at SAFE Boats who design, build and repair our boats, and everything in between. We wouldn't be who we are without you!

#ABYC #MarineServiceTechWeek #ThankYouMarineTechs #SAFEBoats

Thank You For Everything You Do!

marinemaxoceanreef Did you know 6.3% of all marine mechanics are women! Alyssa is one of the team members that has worked her way to become a technician. Starting in the MarineMax Ship Store, Alyssa knew the Marine industry is where she wanted to be. She moved to our boat movement team, up to forklift driver. From there she could see the technicians work and knew that is where she was meant to be. We are elated to have her on our Service Team!

Get involved!

CONTRIBUTE PRODUCT FOR PRIZE PACKS

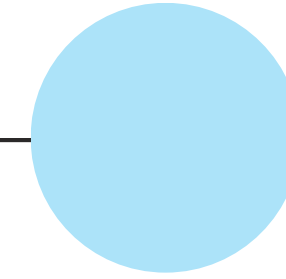

During the week, ABYC features different Outstanding Technicians and hosts a daily technical challenge. These winners all receive a prize pack of supplies. Include your branded items!

SPREAD AWARENESS ONLINE

Express your gratitude for marine service technicians online, nominate your tech for the Outstanding Technician Awards, and share a general thank you using these hashtags:

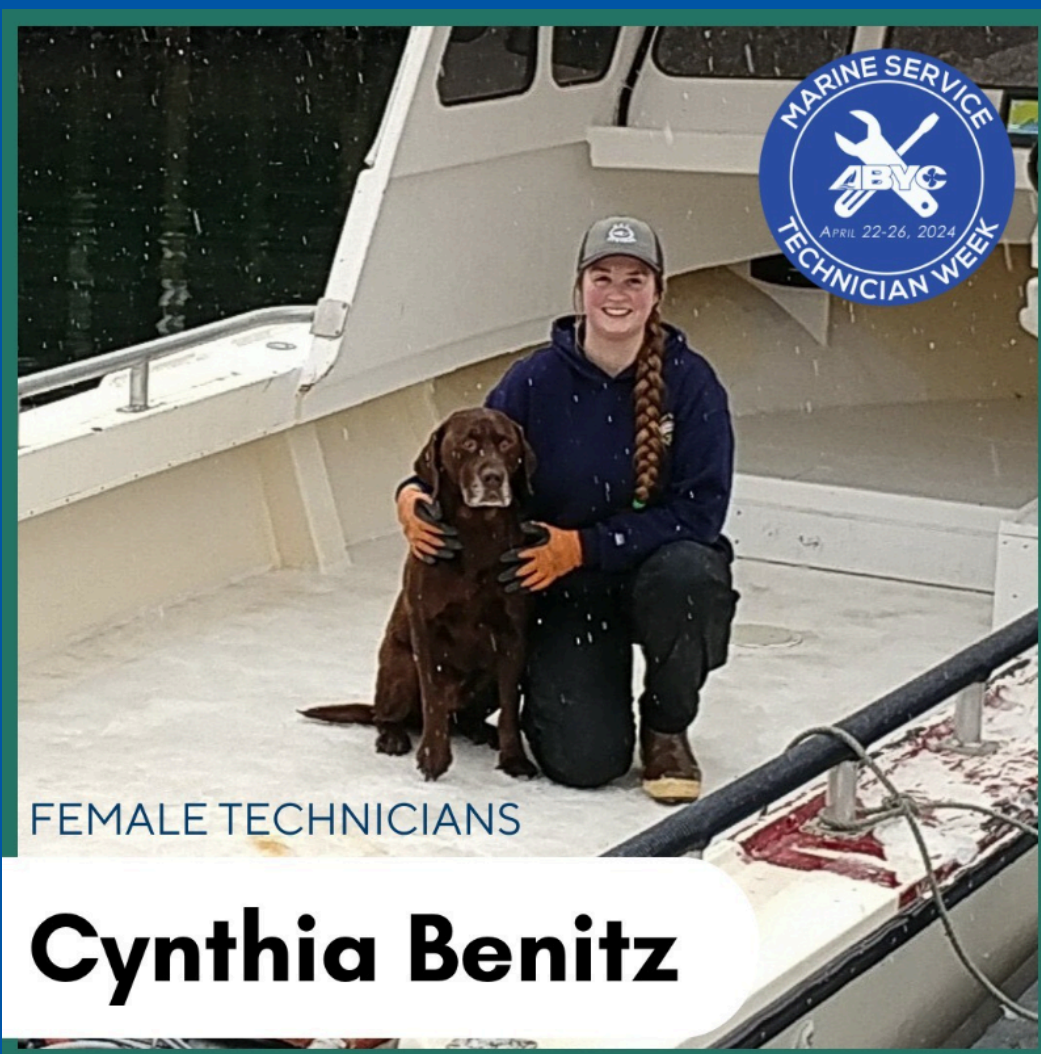

#MarineServiceTechWeek
#ThankYouMarineTechs

SPONSOR TECHNICIAN AWARDS

Help honor our technicians through the Technician of Year Award (\$2,000 sponsorship) or sponsor one of our daily themes (\$500).

Technician Award Sponsorship Opportunities

✦ Sponsor one of our daily themes! (\$500 each day)

- Monday, April 20 – Master Technicians
- Tuesday, April 21 – Marine Service Programs and Schools
- Wednesday, April 22 – Female Technicians
- Thursday, April 23 – Outstanding Technician Announcements (Share your own outstanding tech!)
- Friday, April 24 – The Future of the Industry: Aspiring Technicians

Outstanding Technician Awards

✦ Outstanding Technician Award Sponsorship (\$2,000)

The ABYC Outstanding Technician Awards, a cornerstone of Marine Service Tech Week, honor the best in the marine service industry, recognizing professionals who excel in customer service, technical training, and industry involvement. The New Achiever Award recognizes rising stars—newcomers who demonstrate exceptional potential and technical skills—helping the next generation of marine technicians feel the support of our industry behind them.

Winners receive \$100 VISA gift card and a technician prize pack with various giveaways.

We need sponsors to celebrate these outstanding professionals! Your support will cover prizes, shipping, and recognition efforts to properly honor the winners. This is a unique opportunity to showcase your brand's commitment to excellence in the marine service industry.
